

Complaints & Appeals Procedure

Most of our learners complete their training and assessments successfully, without needing to make a complaint, and we do hope that your experience with us will be a good one!

All of our instructors and assessors are authorised to act on behalf of Lynher Training during the training / assessment sessions, and will endeavor to meet all your training needs, however, we recognise that occasionally things can go wrong, and we want you to know that we will do our very best to resolve any complaints or appeals you might have.

If you are dissatisfied with any aspect of our service, please let us know as soon as possible so that we can resolve the issue. The sooner we are aware of your complaint, the more efficiently we will be able to investigate the issue.

If you cannot resolve your problem with your instructor or assessor, please contact Lynher training and ask to speak to the one of the directors who will investigate your complaint further, and will assist in identifying if any further representation can be made to the appropriate awarding organisations.

If you want to make your complaint in writing, please send it to:

We will respond to straightforward complaints within 5 working days of receipt of your complaint. Occasionally, if there is a complex investigation, it may take up to 20 working days. If our investigation into your complaint is likely to take longer than 20 working days, we will inform you as soon as possible.

We would also love to hear from you if you are particularly satisfied with our service, or have any suggestions that you think would help us improve.
